Notes

- Approved for overhead or underground entry and underground exit.
- All cabinets are furnished with a wiring harness and a door-mounted pre-wired meter socket with test switches.
- Fuses - Use class "T" fuses rated 300 volts (Littlefuse JLLN, Bussman JJN, Gould A3T or equal). Fuses can be provided.

Utility requirements for this equipment may vary. Always consult the serving utility for their requirements prior to ordering or installing this equipment. This product must be installed by a licensed electrician. Installation of this equipment may require local electrical inspector approval.
